## Insurance Excess Waivers:

Most of the drivers in Rarotonga are uninsured and in the event of an accident it is impossible to recover insurance excesses. We have never managed to make any recovery of excesses on behalf of our clients, even though accidents are most often not our client's fault.

In order to eliminate this concern and provide a stress free holiday with no unpleasant expensive surprises, we strongly advise taking one of our insurance excess waivers.

Prices are below:

### **Cars:**

to reduce your excess to <b><u>\$0</u></b> the cost is	\$19/day
